**VAELS MODEL UNITED
NATIONS CONFERENCE**

2017

Respected Principals and MUN Coordinators,

Greetings from Vaels International School!

It is my greatest honour to cordially invite you to the exciting 2017 edition of the Vaels Model United Nations Conference (VMUN). The two day conference will commence on the 21st of July, 2017 at the Vaels International School campus in Chennai, TN.

Since its inception in 2014, VMUN has aspired to become a launchpad for future leaders and debaters to solve real world challenges. Over the years, we have brought together some of the most talented and ambitious individuals, from schools across the city, with one common objective of making a positive impact on the world at large. Besides a strong emphasis on collaboration, VMUN promotes key skills such as research, public speaking, analytical thinking, problem solving and reasoning. The conference will expose participants to contrasting perspectives, allowing them to look at the world in new ways.

This year, the secretariat is working towards conducting **the best VMUN, ever**. We have introduced several new committees and matched them with interesting agendas, hoping to provide a unique, unmatched 'MUNning' experience. Complimenting this, we anticipate an exceptional exhibition of debates and discussions, along with a diverse set of delegates.

We believe that VMUN can prove to be an experience which will truly facilitate change, regardless of previous MUN experience. We hope that you will make the most of this unique opportunity by joining us at the Vaels Model United Nations Conference this year. Don't hesitate to reach out to us with any questions or concerns you may have.

- Kunal Abichandani, Secretary General, VMUN 2017

With Best Regards,

Mrs. R. Meenakshi,
Principal
